

INSPIRE

Sports Camps

Inspire Sports Camps is a life-changing camp experience for inner-city young people from all over the Northeast. Through intentional, relationally based programming, we seek to make a difference in our region's toughest urban areas, one camper at a time. We provide underserved youth with an opportunity to escape their everyday lives, build strong character, and develop as outstanding young men and women in a safe and nurturing environment.

“ CAMPER QUOTES

"Camp changed my life!"

"This week was different, it gave me a chance to stay out of the street."

"I am no longer going to pursue sex, drink alcohol, do drugs or praise them."

"When I got here I was broken, now I am feeling like I am pieced together."

Thank you for considering this life-changing investment.
